

# *Lorain County Township Association*

Dear Advertiser,

It is time to update our township directory for 2014/2015. Thank you for the privilege to have your ad placed in the 2012/2013 association directory. New advertisers are also welcome to place an ad in the new 2014/2015 directory. The previous directory was distributed to approximately 2,500+ individuals, township officials and businesses. We know your advertising dollars are well spent with our directory.

Again, we are inviting you to partner with us to make this resource book available to distribute. If you advertised with us in the past, we are enclosing a copy of your previous ad to review and make any necessary changes. The form also includes all pertinent information regarding cost and mailing to have your ad published.

Any questions, please feel free to contact me or committee member at any time of the following numbers:
